Dear Mr. and Mrs. Kirkham:

I am writing this letter in response to your request for grandfather status for an existing short-term rental facility located at 2150 Hilltop Drive, Wimberley, Texas.

Within the City of Wimberley (the "City"), there are lots, structures, uses of land and structures, and characteristics of use which were lawful before the adoption of the City's Land Use Ordinance. The City Code permits these grandfathered uses and structures to continue, provided such grandfathered uses and structures are not enlarged upon, expanded, or extended, and are not used as a basis for adding other structures or uses prohibited.

It is your contention that the above-mentioned Short Term Rental has been in operation at the subject location since prior to April 2001, when the City's Land Use Ordinance was adopted. The following information was provided to the City to support your claim.

- Written Correspondence from Lucille and Robert Kirkham, dated February 16, 2016, certifying the property located at 2150 Hilltop Drive has been operated continuously as a short-term rental since 1994.

Upon review of the information provided, the City has determined the requirements have been met for the subject short-term rental facility to be deemed a pre-existing non-conforming use, also known as a grandfathered use.

If the above-referenced short-term rental facility is expanded at any point in the future, a Conditional Use Permit (the "CUP") will be required.

Should the facility in the future be deemed detrimental or hazardous to the health, safety, or welfare of nearby residents or citizens, the City has the authority to take action to address such concerns or even eliminate the grandfather status altogether and require a CUP be obtained for the vacation rental facility to continue to operate.

Also, please be advised, in your operation of the subject short-term rental facility, you are prohibited from exceeding the maximum occupancy for the subject residence, as established by the previously issued septic permit for the residence.

I hope this information helps resolve your concerns. If you have any questions or need further information, please feel free to contact me at 512. 847.0025.

Sincerely,

A handwritten signature in black ink, appearing to read "Don Ferguson". The signature is somewhat stylized and overlaps the printed name below it.
