

Minutes from  
Economic Development Commission Meeting  
June 15, 2010

Call to Order: Chairman Weeks called the meeting to order at 5:12 pm

Roll Call: Present were Gary Weeks, Jenelle Flocke, Jeri Ross, Robert Currie, Terri Bursiel and Nancye Britner.

Approval of Minutes: Minutes from the May 18 meeting were read and approved.

Citizen's Communications: None

Discussion and Action:

Commission members continued to review the content of the city website. It was agreed that there should be a permanent right-hand navigation column which would include links to pages and external websites related to Schools & Churches, Frequently Asked Questions (which currently would contain only items related to residential building) and a link to the Chamber of Commerce. This and a new "Emergency Services" page with links would replace the current right-hand link to "Helpful Links." Chair Weeks will work with subcommittee members to organize the compiled notes of suggested changes and present them for final review at the next meeting. There was general agreement to postpone a discussion of a contest for community photographs to be judged for inclusion in the website banner until a future meeting.

Jenelle Flocke suggested meeting once-a-month during the summer and with agreement by acclamation, it was decided that the next scheduled meeting would be Tuesday, July 20.

Next Meeting: Tuesday, June 15 at 5pm.

Adjourn: At 7:06 P.M. the meeting adjourned.

Signed: Gary Weeks (Title) Chair (Date) 7-20-10
