C. STAFF REPORTS:

The City Administrator reported on the following items.

1. The City Council approved the motion for consideration of the proposed turn lanes discussed during the last meeting and agreed to refer the motion to TXDOT.
2. Still having issues with oversize loads using 12 through the downtown area, primarily due to the computer generated routes from TXDOT, which the drivers are not able to deviate from.

D. BOARD MEMBER REPORTS: None

E. DISCUSSION AND POSSIBLE ACTION:

1. WISD has made a request to the city to designate Texan Blvd. as a no left turn intersection at 2325, to prevent back up on Texan Blvd. leaving the campus. According

to traffic counts over a 24 hour period and also at peak times, school starting and letting out, the counts indicated a minimal number of vehicles attempting left turns at that intersection. In light of the traffic count and pending construction in that particular area, a motion was made by Bob Bullock to not support the no left turn designation, with a second by Bert Ray. The motion, not to support, passed by unanimous vote.

F. BOARD MEMBER ANNOUNCEMENTS: None

G. FUTURE MEETING DATES: Not designated

H. ADJOURNMENT: The meeting was adjourned at 10:00am.
