VILLAGE OF WIMBERLEY  
TRANSPORTATION ADVISORY BOARD

MINUTES OF MEETING  
MAY 11, 2016

This meeting was called to order by Chairman Gary Barchfeld at 0903 AM.

PRESENT

TAB MEMBERS: Pat Bruns, Bob Bullock, Bert Ray, Donald Black and Gary Barchfeld

CITY OFFICIALS: None

CITY STAFF: Don Ferguson, City Administrator

VISITORS: None

A. MINUTES:

The minutes of the April 13, 2016 meeting were unanimously approved, with the change of the future meeting date, after a motion from Bob Bullock and second from Bert Ray.

B. CITIZEN COMMUNICATIONS: None

C. STAFF REPORTS:

Don Ferguson reported that the City Council is to consider action at the next meeting related to the TXDOT meeting in reference to the intersection improvements proposed for 3237 and 12. He also advised that TAB will be involved in the design and planning for the proposed changes. The City Administrator also advised that the Federal Highway Administration has placed some time limitations for completion of work after the planning and design of projects has been completed. This should aid in getting projects done in the future. TXDOT will be doing some shoulder improvements on 12 and 3237 in the near future in areas where the pavement has eroded into the driving lanes. Don Ferguson also reported that he is still trying to arrange visits from TXDOT representatives and from Will Conley to discuss plans for future improvements that will impact traffic in and out of the Wimberley Valley area.

D. BOARD MEMBER REPORTS: None

**E. DISCUSS AND CONSIDER ACTION:**

The only agenda item related to traffic problems in the area of Lange Road and River Road. The problem brought to the board was problems entering River Rd. off of Lange Rd.. This agenda item was tabled with no action upon a motion from Bob Bullock and a second from Bert Ray. The motion passed unanimously after a short discussion as there is a stop sign on Lange Rd. where it intersects with River Rd. and there is no anticipated solution. It is a matter of a small less traveled road intersecting with a larger street with more traffic.

**F. BOARD MEMBER ANNOUNCEMENTS:** None, other than Gary Barchfeld announcing that this is his last meeting as Chairman of TAB, as he will be sworn in as a City Council member on May 13, 2016.

**G. FUTURE MEETING DATES:** The next scheduled meeting date for TAB will be on June 8, 2016.

**H. ADJOURNMENT:** This meeting was adjourned at 0952AM after a vote on a motion by Bob Bullock and a second by Pat Bruns.
