

DRAFT

VILLAGE OF WIMBERLEY
TRANSPORTATION ADVISORY BOARD

MINUTES OF MEETING
JUNE 8, 2016

This meeting was called to order by Vice Chairman Bob Bullock at 0900 AM.

PRESENT

TAB MEMBERS: Pat Bruns, Bert Ray, Mike Moeller, Michael Murphy, Donald Black and Acting Chairman Bob Bullock.

CITY OFFICIALS: None

CITY STAFF: Don Ferguson, City Administrator

VISITORS: None

ELECTION OF OFFICERS: Vice Chairman Bob Bullock was unanimously approved to fill the spot of Chairman and Mike Moeller was unanimously approved to fill the spot of Vice Chairman.

A. MINUTES: The minutes of the May 11, 2016 meeting were unanimously approved.

B. CITIZEN COMMUNICATION: None

C. STAFF REPORTS:

Don Ferguson reported that the City is waiting on CAMPO for final approval and to assign the money for the 3237 & 12 intersection improvements. A public meeting is scheduled for tonight for the Hidden Valley/Spoke Hollow residents for input on design features for the proposed replacement for the bridge/dam in that neighborhood. This proposal currently included curbs for guidance when water is on the bridge and also approach improvements. These improvements should be covered, in large part, by insurance and FEMA funding. The River Road restoration projects includes some 300 ft. of bank fortification prior to the actual base and shoulder improvements. It is currently anticipated that a precast concrete wall will be utilized for this fortification process. TXDOT is in the process of planning changes to the school zones on 2325 to better represent school needs, as currently the school zone starts near the HEB for the old Bowen School campus.

D. BOARD MEMBER REPORTS: None

E. DISCUSS AND CONSIDER POSSIBLE ACTION:

(1) Agenda item on the closure of Savage Lane---Some of the residents in this neighborhood have requested that this street should be closed in the area of the steep incline that intersects with River Road. This agenda item was tabled to allow board members to do some research and to schedule a public meeting, with the residents in that area, at the next scheduled TAB meeting.

(2) Agenda item on requests for speed humps on River Road----The board decided to also table this item until some traffic counters have been installed and the results evaluated regarding speed and volume of traffic.

F. BOARD MEMBER ANNOUNCEMENTS: None

G. FUTURE MEETING DATES: The next scheduled meeting will be held on July 13, 2016.

H. ADJOURNMENT: The meeting was adjourned at 0950 AM, on a motion from Michael Murphy and a second from Pat Bruns.
