RE: City of Wimberley Water Conservation Ordinance

Dear Mr. Ham:

I am writing this letter in response to your email dated September 2, 2015, in which you requested the City of Wimberley to readopt its Water Conservation Ordinance (the "Ordinance") because it is more than five (5) years old.

As you and I discussed following receipt of the referenced email, readoption of the existing Ordinance is not necessary. The Ordinance was initially adopted on January 15, 2009, and has been subsequently amended five (5) times to address specific drought-related issues regarding swimming pools, gardens and lawn watering. The Ordinance is part of the City Code and is updated and enforced as the need arises.

Please let me know if you have any questions or need additional information.

Sincerely,

Don Ferguson
City Administrator
