On August 19, 2013, the Wimberley City Council approved an Ordinance authorizing the issuance and sale of \$650,000 in Combination Tax and Surplus Revenue Anticipation Notes (Series 2013) to fund the planning and design of a central Wimberley wastewater system. The referenced Ordinance established an ad valorem tax to fund the debt service requirements on the Notes. At this time, rather than utilize the authorized ad valorem tax to fund the required debt service, the City Council approved the use of existing City revenues to meet the City's debt obligation. That said, the FY 2017 Annual Budget raises no ad valorem tax revenues. Prior to the City Council's August 19, 2013 action, the City of Wimberley did not have an established ad valorem tax.
