Week 1 Outdoor Adventure  
June 10 – 14  
This camp is all about enjoying the outdoors! Join us as we go on hikes, learn how to set up tents, try your hand at Dutch oven cooking, and explore the park by searching for geocaches using GPS technology.

Week 2 Wild for Wildlife  
June 17 – 21  
Come explore native Texas wildlife such as bats, birds, and snakes! Enjoy scat & track hikes, habitat hunts, animal face painting, creative art projects, and traditional camp games and skits. You’re sure to have a WILD time!

Week 3 Happy Campers  
June 24 – 28  
This week is all about camping skills! You’ll enjoy setting up tents, cooking in the Dutch ovens, making s’mores, fire building 101, finding geocaches, knot tying, reading maps, hiking, and more!

Week 4 Planet Protectors  
July 8 – 12  
Create a nature journal, learn about conservation and protecting our natural resources! Campers will also participate in archery, nature hikes, building forts, paint your park, and observe our natural environment around us!

Week 5 Birds, Bats, & Bees  
July 15 – 19  
You’ll learn all about our native plants, trees, and wildflowers and how wildlife and humans depend on them! Enjoy cool experiments showing plant and animal adaptations and what pollinators exist the Hill Country!

Week 6 Aquatic Adventures  
July 22 – 26  
Enjoy edible aquifer activities, creek dip netting and exploration, fun art projects like making your own water testing, hiking, and traditional camp games, skits, and activities!
