**1. Consent Agenda**

Approval of minutes of the April 16, 2013 meeting of the Board of Adjustment.

Boardmember Larson moved to approve the minutes of April 16, 2013, as presented. Boardmember Gibson seconded. Motion carried on a vote of 4-0.

**2. Public Hearing and Possible Action**

- A. Public hearing and consider possible action on Case No. BA-13-002, a request for a variance to the City of Wimberley Zoning Code, Section 155.037(D)(3) regarding the forty (40) foot dominant street setback requirement in a Single Family Residential 2 (R-2) zoning district for property located at 609 Las Colinas Drive, Wimberley, Hays County, Texas. (*Laura & Marcus Haygood, Applicants*)

City Administrator Ferguson reviewed the application, including the subject property's location, acreage, zoning, and plans for the construction of a new single-family residence, which contains several live oak trees the owner is trying to avoid removing. The applicant is seeking a variance to encroach ten (10) feet into the required forty (40) foot dominant street setback with one (1) corner of the new home, in order to save the referenced oak trees. No opposition has been received to the variance request. Based on review of the application, City staff recommended approval of the variance request.

City Administrator Ferguson cited conditions required for granting of this variance pursuant to City of Wimberley Ordinance No. 2001-010, Section 10, recommending the inclusion of specific, written findings in the motion as follows:

1. That there are special circumstances or conditions affecting the property involved such that the strict application of the provisions of this ordinance would (a) deprive the applicant of the reasonable use of the property; and (b) create an unnecessary hardship in the development of this property; and
2. That such circumstances or conditions are (a) not self-imposed; (b) not based solely on economic gain or loss; and (c) do not generally affect most properties in the vicinity of the property; and

3. The variance is necessary for the preservation and enjoyment of a substantial property right of the applicant; and
4. The variance if granted will not: (a) adversely affect the public health, safety or welfare; (b) be contrary to the public interest; and (c) be injurious to or adversely affect the orderly use of other property within the area; and
5. The property involved is otherwise in compliance with all other applicable City ordinances, rules, and regulations; and
6. The granting of the variance will be in harmony with the spirit and purpose of this ordinance.

Chairman Aldridge opened the public hearing. Hearing no comments, Chairman Aldridge closed the public hearing.

Boardmember Larson moved to approve the requested variance, with the inclusion of affirmative findings on all six above listed conditions, as cited by City Administrator Ferguson. Boardmember Gibson seconded. Motion carried on a vote of 4-0.

- B. Public hearing and consider possible action on Case No. BA-13-003, a request for a variance to the City of Wimberley Zoning Code, Section 155.036(D)(3) regarding the interior side and rear setback requirement in a Rural Residential 1 (R-1) zoning district for property located at 411 Mill Race Lane, Wimberley, Hays County, Texas (*Alison Courtney Campbell, Applicant*)

City Administrator Ferguson advised that staff has pulled the variance request pending action on the companion conditional use permit (CUP) request for the subject property. He anticipated this variance request will be rescheduled for Board of Adjustment consideration in late September.
