Public Hearing

Discuss and receive public comments on the City's intent to annex into the city limits a 0.572 acre tract of land located at 205 Freedom Drive and to extend the boundary limits of said City so as to include said property. (*City Administrator*)

City Administrator Ferguson explained that this is the second of two required public hearings on the proposed voluntary annexation. The subject tract is one of three parcels owned by Sue Jones, who has petitioned the City to have her property annexed into the city limits. While two of the parcels are located within city limits, the third tract is contiguous to, but located outside city limits. The voluntary annexation petition was submitted in conjunction with a recently filed subdivision application seeking to consolidate the three parcels into one lot. He advised that Council action regarding the proposed annexation is scheduled for February 5, 2015.

Mayor Thurber opened the public hearing. Hearing no comments, Mayor Thurber closed the public hearing. No action was taken.
