

RESOLUTION R-01-2011

A RESOLUTION AUTHORIZING THE CITY OF WIMBERLEY, TEXAS, TO SUPPORT THE GUADALUPE-BLANCO RIVER AUTHORITY APPLICATION FOR FLOOD PROTECTION PLANNING GRANT ASSISTANCE FILED WITH THE TEXAS WATER DEVELOPMENT BOARD.

WHEREAS, the Guadalupe-Blanco River Authority (GBRA), desires to develop a basin-wide Flood Protection Planning Study for the lower Guadalupe River, understanding that the river and its tributaries drain areas within the City of Wimberley;

WHEREAS, the City of Wimberley, Texas, recognizes that the proposed planning does not duplicate existing projects with the exception of updating existing flood protection plans;

WHEREAS, GBRA will appropriate matching funds and in-kind services, if the grant is awarded, and the City of Wimberley, Texas, will consider appropriating matching funds and in-kind services for studies of creeks in its area, to assist with the financing of the Flood Protection Planning Study and any improvements as agreed;

WHEREAS, the City of Wimberley, Texas, will work with GBRA to pursue implementation of viable solutions identified through the proposed planning effort and will pursue and identify potential sources of funding for implementation of viable solutions; and

WHEREAS, the City of Wimberley is currently participating in the National Flood Insurance Program making flood insurance available for all insurable structures in their respective incorporated and unincorporated areas;

THEREFORE, BE IT RESOLVED that the City Council of the City of Wimberley, Texas authorizes support of the GBRA application to the Texas Water Development Board for flood protection planning grant assistance.

PASSED and APPROVED by the Wimberley City Council on the 20th day of January, 2011.
