

RESOLUTION NO. R-012-2000

A RESOLUTION OF THE Council OF THE Village of Wimberley, TEXAS APPROVING THE TRANSFER OF HAYS COUNTY CITIES FROM REGION 7 TO REGION 10 OF THE TEXAS MUNICIPAL LEAGUE; AND DECLARING AN EFFECTIVE DATE.

WHEREAS, towns, villages and cities within Hays County that are members of the Texas Municipal League (TML) are presently a part of TML Region 7, as depicted on the attached Exhibit A; and

WHEREAS, while Hays County communities have enjoyed a close association with many TML Region 7 cities, and with the TML Region 7 organization, Hays County is geographically closer to TML Region 10, as depicted on the attached Exhibit B; and

WHEREAS, portions of Hays County have been formally designated as a part of the Austin-San Marcos metropolitan statistical area; and

WHEREAS, the transfer of towns, villages and cities within Hays County from TML Region 7 to TML Region 10 would allow greater participation in TML regional activities by Hays County communities because of their geographic proximity to TML Region 10; and

WHEREAS, the approval by all towns, villages and cities within Hays County of the transfer from TML Region 7 to TML Region 10 is necessary before TML can effect this change; now therefore
