Mike Moeller and Dorothea Dare.

CITY OFFICIALS: None

CITY STAFF: Don Ferguson, City Administrator

VISITORS: None

A. MINUTES

Minutes of the February 13, 2013 meeting were reviewed and approved without change.

B. STAFF REPORTS:

The City Administrator reported on the following:

1. The Old Kyle Road / RR12 project is moving along well. Have had a

positive feedback from the public and merchants in the area. Possibly, the last concrete pours will be today or tomorrow. The landscaping of the construction site will begin next week and there is a possibility of completion within two weeks, without unforeseen circumstances. The hybrid Red Oak trees have been planted, and there has been some consideration of increasing the size of the flagpole. Plans are being made for a ribbon cutting ceremony upon completion of the project.

2. City Administrator has received a request for traffic stripes on Flite Acres Road. However there appears to be considerable opposition to the same from other residents.

C. BOARD MEMBER REPORTS: None

D. DISCUSSION AND POSSIBLE ACTION:

1. In reference to the need to update the Street Improvement List that was discussed in the February 13, 2013 meeting, the list was reviewed and fifteen changes were made to the traffic system roles relating to those fifteen streets. The list will be updated to show the changes that the TAB made.

2. In reference to the differing opinions relating to placing traffic stripes on Flite Acres Road, the TAB discussed notification of all the residents of the affected area for input or announcing and holding a public meeting, with the board. It was decided to notify the affected residents by mail for written input on reasons for or in opposition to the stripe process. Bob Bullock made a motion in support of this notification, which was seconded by Mike Moeller. A unanimous vote in favor was taken.

E. ANNOUNCEMENTS: None
